Forest Lake State School - Year 5 Apps - 2026

- The easiest way to ensure you are downloading the required apps is to access this list electronically, as each app is linked directly to the App Store. The electronic version is available on the school website
 https://forestlakess.eq.edu.au Programs and partnerships FLiP. Please make sure you download the apps for your child's specific year level.
- 2. Please ensure you have the correct iPad settings, and have set up the required folders. This information is available on the school website, see https://forestlakess.eq.edu.au Programs and partnerships FLiP
- 3. *DO NOT SUBSTITUTE FREE VERSIONS OF APPS. The paid apps are essential and will impact on your child's capacity to complete required curriculum activities if not purchased.
- 4. If you have more than one child participating in the iPad program it is strongly recommended that you set up Family Sharing (see https://support.apple.com/en-au/HT201060) to avoid needing to purchase the same app for each child. Family Sharing allows up to six family members to share access to App Store purchases. Once you have purchased an app, such as Book Creator, you can then use Family Sharing to download it to siblings' iPads.
